THIS IS TO CERTIFY that undersigned representative of **Tow**Service B.V. at the request of:

Messrs. BEENS GROEP at GENEMUIDEN -NL

as insured/as agent for insured, inspected the unit and its towing, securing and stowing arrangements and found these to be in compliance with the recommendations made by this office, Safety of Life at Sea, 1974 (SOLAS), and as per requirement of IMO A765 (18), dated 4 November 1993. We approve the tug, tows and towing arrangements and confirm our opinion that the above vessels are capable to undertake, the voyage

from: **Brouwersgracht [redacted] - Amsterdam**
to: [redacted] **- Amsterdam**
etd: **1 September 2022**

Ultimate period of validity of this certificate: N.A.

Approval is subject to the attached **5** recommendations. This certificate shall be deemed withdrawn if any alteration to the vessels, procedures or voyage route is made after the date and time of issue of this certificate, unless approval for such an alteration is given by this office.

This certificate is issued without prejudice to the terms and conditions of the insurance and/or to the interest of any or all parties involved, and is only to be used to comply with warranties imposed by underwriters. Neither **Tow**Service B.V. nor its representative shall in any circumstances be responsible or liable for any act, omission, fault, or negligence.

For and on behalf of **Tow**Service
