On behalf of **Holland Metropole**, we have the pleasure to invite you to attend our networking event at MIPIM 2020.

We hope to meet you at the Apéritif Holland Metropole and discuss the challenges we face regarding urbanisation, climate change, demographic change and technology.

Holland Metropole is the metropolitan region comprising the Netherlands' five largest cities Amsterdam, Rotterdam, Utrecht, The Hague and Eindhoven. Together with major Dutch real estate investors, developers, architects, advisors and start-ups, we are pooling our resources to promote **Holland Metropole** to international investors as the top global urban region for growth and development.

Please RSVP before Friday March 2, to **info@hollandmetropole.com**
