Hi [redacted] and [redacted]
Quick -but important- question, we have admitted our memo to the (deputy) mayor and they will add it to their next city council meeting but one major document is missing. The agreement itself where we need to place a signature. Did you already send it to us? Only document I have received is the charter with the goals and content of the AAM.

Could you send it to me today/tomorrow as we need to add that document to the original memo for the mayor to sign. If not the item gets bounced from the meeting/agenda and we need to re-apply for a slot at the city council.

With kind regards,
[redacted]

It was a pleasure connecting with you earlier today. As discussed, I wanted to send over the charter for your consideration. Please let us know any questions you have about it, and we look forward to hearing any feedback from you and your colleagues. It would be wonderful to have Amsterdam as part of the founding members of the community when we publicly launch in September.

Best regards,
