Dear 5.1.2,e

How are you? Last week I discussed the trip to China of Mayor Van der Laan and he specifically asked if you wanted to be part of the delegation. Today I visited 5.1.2,e to discuss further details of the visit to Huawei HQ. He will share with you what was discussed.

I wanted to send this e-mail to invite you to the kick off meeting with the Mayor at his residence on 17 September. Because we did the registration for the event with most delegates, this invitation is in the form of a confirmation. Please let us know if you can join.

Kind regards,

5.1.2,e
