On behalf of **Holland Metropole**, I have the pleasure to invite you to attend the Holland Metropole Networking Event at MIPIM2018. This event will take place on March 13th at the Holland Metropole Pavilion.

Holland Metropole is the metropolitan region comprising the Netherlands' four largest cities Amsterdam, Rotterdam, Utrecht and The Hague. Together with major Dutch real estate investors, developers, architects, advisors and start-ups, we are pooling our resources to promote Holland Metropole to international investors as the top global urban region for growth and development. As a result, the regions innovation eco-system has emerged in the top 3 in Europe.

The keynote speaker for the event will be Lisette van Doorn, Chief Executive of the Urban Land Institute (ULI) Europe, a highly regarded real estate investment professional with over 20 years of experience across Europe. Her keynote will address Emerging Trends in Real Estate and the effects on the Holland Metropole.
