Onderwerp: FW: Boeing, El Al/Municipality of Amsterdam - request for disclosure

Beste ,

We zijn al weer vele e-mail berichten verder; ik geef een tussenstand met het onderstaande bericht van de advocaat van Boeiing/El Al. Door de geheimhoudingsverklaring in de overeenkomst met Boeiing/El Al hebben we nu toestemming nodig om aan de Staat informatie te kunnen geven in de Rampenfondsdiscussie. De Staat wenst inzicht in de door de gemeente getroffen regeling met Boeiing/El Al alvorens de minister kan beoordelen of hij bereid is tot een vergoeding.

Groet,

Subject: Boeing, El Al/Municipality of Amsterdam - request for disclosure

Dear

This email is written to you in English, so as to enable my English speaking correspondents to read a copy thereof.

Reference is made to your letter of 28 September 2004.

Boeing and El Al are willing to give consent to disclosure of the Releaese of All Claims and Settlement Agreement to the attorney of the State of the Netherlands (*Landsadvocaat*), under the condition that the Municipality obtains, and provides us with a copy of, a written statement from the State to the effect (i) that the State will keep the terms of the Release of All Claims and Settlement Agreement confidential and (ii) that any payments made by the State to the Municipality will not give rise to claims by the State against Boeing and El Al.

I suppose the Municipality is aware that such a statement is also in its own interest, in view of the indemnification in article 3.2 of the Release of All Claims and Settlement Agreement.

The consent by Boeing and El Al shall be limited to the terms of the Release of All Claims and Settlement Agreement itself and shall not extend to the negotiating history, such as, for example, correspondence written during the negotiations. If there is anything in the negotiating history that the Municipality would like to disclose, we would like to know in advance what it is, in order to determine our position on an informed basis.

As you know, I will not be in the office next week. If you would respond to this email next week, I will try to respond to your response in week 44.

With kind regards,

Advocaat
