Huummm !!

Accueil très sympa, déco à base de pot de Nutella (bien sur) et de fontaine à chocolat blanc et noir.
Une "petite" gaufre, avec double portion de Nutella. Ca a fait sourire le "gaufrier" !
Délicieux !!

Amazing but a little expensive

Hot fresh waffle covered in Nutella, white chocolate sauce , strawberries and crushed smarties ..... heaven and €11 !! But omg was worth it . And the staff were very friendly and couldn't fault the cleanliness . Will definitely be visiting again

Must try when visiting Amsterdam!

We stopped here pretty much every night before we went back to our hotel for dessert! They make the best Nutella crepes or waffles. A must for anyone who has a sweet tooth. There is typically a queue as this is a very popular spot, however don't be deterred as the queue moves quick fast! There are a few stores throughout the city centre as well.

Aguça todos os tipos de sentidos! O aroma dos doces, suas diferentes cores e formas, a boca salivando, a vontade de devorar tudo instantaneamente! Deveria ser uma parada obrigatória! Deveriam tombar este local! Sorvetes de diversos sabores, crepes, doces variados! Nutella para todos os lados! LOUCURA!
