Dear 5.1,2,e

We received a copy of a letter from the Gemeeente Amsterdam addressed to you (Polestar Tobacco, Drinks and Gift).

Shortly in the letter:

On September 29, Handhaving / Enforcement visited the store and found:

The mini-supermarket and the head-shop are in violation of the applicable zoning plan. It also appears that you do not comply with the various building, use and aesthetics regulations. You sell weak alcoholic drinks. The Gemeente Amsterdam intends to take enforcement action against these violations.

As a 5.1,2,e I advise you to contact someone as soon as possible who can explain the letter clearly to you (Dutch is not your native language). Perhaps your accountant or someone who is proficient in the Dutch language in your immediate environment.

The letter states that the weak alcoholic drinks should be removed from the store as soon as possible. Then you avoid a fine of € 1,360 in the short term.

You can respond until October 26 (that is the day after tomorrow!!!) by means of a view and or a plan of approach.

You say you are on vacation. However, I urge you to act quickly.

I am sending you the letter attached. There is an extensive photo report of the letter, which was sent to the store's address.

I wish you all the best and success.

Regards, 5.1,2,e
