EXCELLENT Mar 2019
9.6 • This is the best place that I have been at in Amsterdam. It is in the heart of the city. But once inside, there is no external noise to hear from. The guests were also respectful. I cannot picture where I can improve on this place. Party out. Quiet back. Perfect for me.
I wish the place was just a little cheaper or I can find a lot of stays and have a reduced rate.

GOOD Feb 2019
7.1 • Room was clean and large. Nice communal spaces with sofa and cooking facilities.
It was really noisy. It was a Saturday night but so loud until 6am. Despite being called bed and breakfast there was no breakfast.

8.3 • Lovely little room in a great location let down
Was let down by the entrance hall didn't feel homely and the spiral stairs were a pain.the room was really nice but needed a shower and came home covered in dirtas which I think was from the bed. Also advert said bed and breakfast which isn't true.shame really as we enjoyed our stay

GOOD Nov 2018
7.1 • The bathroom was amazing. Constant hot water with bath and rain shower. Comfortable room with huge bed. Location was great. Central to everything in Amsterdam.
It's called bed and breakfast. It's just a bed there is no breakfast at all which was very disappointing since that's what I had paid for so an extra expense to go out in the morning to get breakfast for ourselves

2.9 • Just location only
This place is NOT hotel, please don't misunderstand. NO staff is waiting for you, we have to communicate with coordinator (she is nice) via phone or email. If we don't have credit card, there is no way to check in. ... This is very dangerous situation for tourist. And place is dying bed, it was super noisy.

7.5 • Great location in central Amsterdam. Clean room and very comfortable bed.
The photograph in the listing was a bit misleading, as it was not of the property, and just a close landmark. Across the street was a very noisy bar, with getting each night until at least 2.30 AM!
