Good morning Madam,
Following our last conversation, I would like to inform you that the renovations to the Cultural Center are complete. We are planning an event at the Center on June 27, 2026, with the participation of approximately one hundred people. In this regard, we are requesting permission from the City of Amsterdam to open the Center and host this event. Therefore, I propose that we meet at the Cultural Center on Wednesday, June 3, at 12:00 PM.
Best regards
