VEZIPS

VC06 en **VC04** (both Singel) are **inoperative**.
The pole is taken away en covered with a plate.

VC07 is still in operation. This VC07 is a pole who works on offer, so car comes, pole goes down. The meaning of this pole is to stop traffic from east to west through the south side of the Blauwburgwal (that's a one direction road). See picture below, the green arrow is not the right way.

Closed for vehikels and cyclists

So, you cannot go in or out from Raadhuisstraat, except on the location Keizersgracht –west.

The orange circle locations; A, B, C, D, E, F, G, H, are now closed en stay closed **till**:
A,B,C,D: **end of february 2022**
E, F, G: **end of march 2022**
H: **end of sept. 2022**

The locations with the yellow circle; I, J,K, L, M, N, O closed on 10 januari 2022 **till** the **end of december 2022**

On the side Raadhuisstraat:
At the other side:
