Subject: Bezwaar tegen 5.1,5

Sir/Madam,
We have taken note of the Application for an operating permit for the catering company 5.1,5 in Amsterdam (reference: 5.1,5) via officielebekendmakingen.nl.
I would like to request the submitted license with reference: 5.1,5
In addition, we hereby object to a possible reopening of the coffee shop at 5.1,5
We are aware that when this coffee shop was open before, three shootings occurred between the coffee shop and the house above, which disrupted public order and safety. The mayor at the time, Van Der Lann, chose to remove the location from the tolerance list because of the disturbance to public order caused by this coffee shop. I attached Van Der Lann's letter regarding this decision to this e-mail.
My partner and I are residents of this building and we believe that reopening the coffee shop would make our neighborhood less safe and will contribute to a more dangerous environment. We also would prefer to keep this area residential and without the traffic of those going to or from the coffee shop. We trust that you will take these considerations into account during this process and we would like to be informed about any changes to the permit application.
Yours sincerely,
5.1.2,e and 5.1.2,e
