Onderwerp: RE: Letter from renters to stakeholders 03-09

Dear all,

In reply to your letters I would like to have a meeting with the sexworkers that currently work at My Red Light.

I hope you will be able to talk to me on 21 september at 18:00.

I have asked [redacted] to help me organise this.
Would you be so kind to contact [redacted] if you can join the meeting?

Kind regards,

[redacted]
