This apartment is in a great location. The hosts are friendly and helpful with local advice. Me and my friends had an awesome long weekend in Amsterdam. This apartment was a big part of that.

This flat is in a great location right next to [redacted]. It was very clean with included amenities like bottled water, coffee and local tips. Great hosts that helped us with everything, great communication and even allowed us to have a late check out. Recommend.

Comfortable place to stay, hosts were very polite and provided drinks and tips on arrival. The shower did take 5-10 minutes to warm up and didn't drain fast. Location is close to the train station and easy to find when returning.

Great location, great space, great hosts. We already knew Amsterdam so didn't need much but we did still get some great advice for local food and drink places. Also when we asked for an iron, one was bought and delivered right away, which was a really nice touch!
