Onderwerp: FW: Europe's Waterfront Cities - MIPIM

Dear All

Thanks you for your support in pulling together details for the two events we are holding next week

We have had to change things a little to try to accommodate and balance the agendas so that all cities feel they are getting equal exposure so in that regard can **I ASK YOU** to note the following as this will help arrangements particularly on the **Tuesday** for Greg and the Amsterdam team as timings are particularly tight

Tuesday – 13th March – New opportunities in Europe's Waterfront Cities – 10.00am – 11.00am

As we now have 2/3 slides for nearly all of the 14 cities taking part we have split the session into two using the same set – all the slides will be set up within the presentation and in order

10.00 – 10.30am

Panelists will be

Amsterdam
Belfast
Cardiff
Copenhagen
Edinburgh
Glasgow
Gothenburg

[redacted] will introduce and ask you to speak to your slides for a maximum of 3 minutes so **PLEASE** help by working to that

At the end of the presentations there will then be time for a Q&A and then [redacted] will invite you to join the audience and will ask the next set of Cities to join him on the panel

10.30 – 11.00am

Gdynia
Hamburg
Liverpool
Lisbon South Bay
Newcastle
Rotterdam
Stockholm

[redacted] will run this session in the same way as the first half hour again with each city asked to restrict its speaking time to 3 minutes - all will work if each city helps each other by sticking to the time allowed

Thursday 15th March

Paying for the Waterfront – 10.00am – 12.00midday – Hotel Barriere le Majestic
Participants in this event will be all the Cities that participated on Tuesday with the exception of Cardiff – we will also be joined by colleagues from GVA

For this event we had asked for **"one pagers"** to be submitted in advance on basis that we would circulate to help accelerate the discussion – we have not received all of these so attached are those that we have – if you have not had time to submit please try and send to [redacted]@marketingliverpool.co.uk or bring with you

This will be a "closed" session

Should you have any queries let me know but failing that I will see you all in Cannes

Regards

[redacted]
