Subject Soho House at Raamgracht

Dear .. Dear

Following the attached letter of Mr , I would also like to express my enthusiasm about your and Mr. Jones' initiative to develop a Soho House at the Raamgracht in Amsterdam.

I have offered the responsible city district alderman Mr. Oranje my support in the process and am willing to help and assist in any way I can to provide a smooth development process.

Please keep me informed about the progress and feel free to pass by with Mr. Jones again once the opportunity arises.

With warm regards,

C Gehrels
