Subject: Damage due to street construction

Hello,

We are the next door neighbor of 5.1,2,e We live on Koninginneweg 5.1,2,e A bit over a month ago we started noticing water spots on our basement walls and it has become worse and spread over time. We have never had problems like this before.
Please see photos below.

Could you please add us to your list of houses damaged by the construction.

Thank you in advance.

Kind regards,
5.1,2,e and 5.1,2,e
