Onderwerp: Re: New Klacht | Gemeente Amsterdam! System Failure - Very Urgent!!

5.1,2,e Gemeente Amsterdam,

I dispute attached invoice until I get a confirmation from your lawyers regarding destruction of our data as well as an apology for abuse, torment, harassment and worsening the condition of a citizen who is running on 10 tablets by your employees!!!!! I hold Gemeente Amsterdam responsible for deterioration of my mental health, health and well-being and if continued reminders without solutions makes my mental health more drastic then Gemeente Amsterdam and its employees are to be blamed for NOT finding solutions!!!!!

I have cameras installed in my property from ringing of doorbell as well entire apartment is on automatic video recording should further threats continue.

As per De Wet Open Overheid(WOO), I formally request full internal files with emails (including comments, data, emails) regarding our permit. Consider this email as a formal request.

I look for a peaceful solution as always!
Thank you.
Kind regards, 5.1,2,e
