Dear [redacted]

How are you doing ?

From a sunny Paris I invite you to join Mapic & LeisurUP Digital to get your cities visible to international Retailers (or Holland Metropole'umbrella if you prefer).
Please find **Mapic Digital programme** attached where we will speak about :

a) **The collaboration between Retailers and properties/cities**
b) **Mixed projects**
c) **Leisure**

Among our « on demand » sessions :
REINVENTING CITIES WITH LEISURE & ENTERTAINMENT
SPORT ATTRACTIONS: PLAY WITHOUT LIMITS!
On Wed 18th November at 5.50 pm > SPEED NETWORKING: RETAIL IN CITY CENTRES

With a tiny investment of only 1.000€ you will benefit :

A) One virtual exhibitor page where you can download your videos and projects (visible 2 months to all Mapic Digital participants from 2nd November to 31 December 2020)
B) 4 registrations per vitual exhibitor
C) The possibility to receive virtual meeting request on your dedicated page

Are you available this week for a quick video-call please ?

For your information a training session with all our virtual exhibitors is planned on next Friday at 11 am.

Thanks in advance for your kind feedback,
Looking forward to hearing from you,
