Geef hier in uw eigen woorden aan wat er aan de hand is.

[redacted] he rents 3 rooms by advertising on Airbnb and confirming most bookings directly with the tourists to avoid getting caught.
He rents 3 rooms: [redacted]
Under the profile [redacted] on Airbnb but with a network of friends occupying illegally apartments, they rent many more places. He uses his direct phone [redacted] to confirm bookings and offer various services to guests, including providing drugs or illegal working prostitues during their stay.
[redacted] has tourists in his apartment almost all the time, in average 5 days out of 7 in the week and charges thousands of euros non declared. He was previously denounced by neighbors who noticed the activity but no action was ever taken.
[redacted]
He does not declare the housing activity and is planning on expanding it by renting more places with his network of friends.

I wish to stay anonymous if any action is taken, due to to personal safety.
