Great spot in XXX

★★★★☆ Stayed May 2018

I have to admit that I thought the place would be bigger but... The owner is very nice to deal with and overall the space is fine. The toilet is small, shower is good. There were nice clean sheets and clean towels.

Great location! 😊

Great location, great apartment.

This apartment we found is was in the most attractive spot of Amsterdam! The location was so great that all the good things in Amsterdam are

The apartment was well equipped. Check in, Check out, key pick up, drop off were absolutely fine. A warning: even if it's a big apartment, don't expect you can party- they will warn you several times not to make noise. They want you to treat the apartment as a sleeping place only (ironic cause it's in the busiest street of Amsterdam and the neighbours were noise free! Loud ones not bad ones) this is one of the reasons I'm not giving it better rating.

gentle reminder of the rule is fine but the email was in the principle writing to some disobedient pupil than an agent making their place look attractive to a client. Don't know what strategists they were employing in his town side- but I can assure you this is certainly not one. Just doesn't feel right. We are paying a good amount of deposit, booking a place, the least we expect is to be treated with respect.

I wouldn't say we weren't treated well, just weren't treated like a paid client.

For the location I would love to book this place again. I'm hoping the way they communicate improves in the future so people feel welcomed and not scolded.

situation idéale et appartement bien entretenu et bien équipé,

petites attentions très appréciables quand on vient pas de jours comme les produits d'entretien pour la vaisselle et le savon liquide pour la douche. très rarement vu dans les autres locations...

Cappellemoet est très agréable et bien décoré.

Nous l'avons choisi pour son remplacement très central et nous n'avons pas été déçus.

Nous avons passé un excellent séjour.
