Re Our meeting in Shenzhen

Dear 5.1,2,e

I would like to thank you for receiving me and my delegation to your headquarters. The innovation summit was a great success, I express this on behalf of my whole delegation.

It was a pleasure to witness the achievements of Huawei and how cooperation with the City of Amsterdam, UvA, Amsterdam Arena and Ajax already have been so fruitful. The City of Amsterdam benefits of these collaborations and is proud to be a showcase city for Huawei in Europe. I will closely monitor the implementation of the MoU that was signed between Huawei, the Amsterdam Arena and the City of Amsterdam.

Amsterdam has the ambition to be the strategic location for Huawei in Europe. If you have any suggestions on how we can strengthen our partnership in the future, please do not hesitate to contact me.

Once again, thank you for your warm welcome. I truly hope that you will accept my invitation to visit me in Amsterdam in the near future.

Yours sincerely,

E.E. van der Laan
