Dear [redacted],

Hope you're well.

Are you looking after the presence of Amsterdam at MIPIM again this year?

I would like to explore the possibility of arranging a meeting between [redacted], Policy Leader at the City of London Corporation and an equivalent senior policy decision maker for Amsterdam at MIPIM.

Do you think this is a meeting we could arrange, very happy to look at diaries and find a time that works?

Very much look forward to hearing from you.

Thanks

Please don't worry, I think on this occasion the schedules aren't going to work but I am sure they'll be an opportunity to meet in the future.

But, thursdaymornig is a problem for us, as we are having a breakfastmeeting on the stand. Do you have other possibilities perhaps?

Good to hear from you. It was very nice last year that we could have a meeting with the City of London. Of course we are again open to a similar meeting.

Morning [redacted],

Peter (cc'd) suggested I contact you directly to look to arrange a visit to the Amsterdam stand during MIPIM. I've been liaising with Peter to arrange this for [redacted], Chairman of the Policy and Resources Committee, from the City of London Corporation.

We are the City of London Corporations PR advisor and we are working with the Department of the Built Environment on their presence at MIPIM. We are keen to arrange a tour of European and international cities to facilitate dialogue and share best practice between the two cities.

We are very keen to arrange a visit to the Amsterdam stand between 11.15-12.30pm on Tuesday at MIPIM, I'd be very grateful if you could advise how best to take this forward and confirm a time.

Thanks

Regards
