Really nice apartment
Only a few minutes to walk to
and easy to take the tram when you walk out of the door. Loved the big roof terrace, great view of the city and so romantic! Also inside the property, you will have a great cityview. The host gave us loads of tips about the hotspots in the city which made our stay a lot more fun. Also the design shower has beautiful view on the heavenly sky! The apartment was extremely clean and everything was available to have a good stay. We will definately come back to this beautiful apartment and city

Amazing and a really cool, super central location! Great host, super clean and very good in communication. Very close to central station and really close to all tourist and location things or good restaurants, main shopping street and supermarkets. A very cool and unique roofterrace with an amazing view over the
Not only from the roofterrace, but also in the house you have an amazing view over the city with a lot of natural light. The shower is amazing with the window in the top. Also the beds and the sheets are very good! Overall, this Airbnb ticked all the boxes for a perfect Airbnb. A great decor, super cosy, a large open interior. Definitely recommend!
s an extreme good host. Very friendly, he gived us a lot of tips and he did everything to feel us at home. Check-in together with
was also perfect. I will definitely visit this amazing Airbnb again. Greetings again from

Beautiful apartment, more central is not possible. Very cool interior design and gorgeous terrace. The one important thing to know, the bathroom is directly connected to the kitchen and living room WITHOUT a door. You can see everything so we would all get up and walk to the bedroom when one of us used

connected to the kitchen and living room WITHOUT a door. You can see everything so we would all get up and walk to the bedroom when one of us used the toilet. Depends on the relationship but I would never stay here if I was dating someone or fresh in a relationship. The host tried to make it seem like it was our problem and totally "normal" which was not so likeable. Otherwise the hosts were very reachable and helpful with tips and tricks to Amsterdam. Don't expect even a one hour early check in without a fee. Have stayed in many air bnbs in Amsterdam and many will give you the hour or two - not the case here.

If you want to taste the REAL Amsterdam life and feel like a citizen not like a tourist - try this special, authentic, dutch rooftop apartment. This apartment is really fancy and chic but simple and adorable at the same time. And got a perfect location! In the heart of Amsterdam. Everything what is worth to be seen you can reach in few minutes walk. If you want to rest from citylife and pepole - you can sit on the terrace with a glass of wine :))
are great hosts - nice, helpful and cool. I really recommend this this place! we had there a lovely time! Thanks Guys!

Cute, clean apartment, excellent location, lots of stairs! The kitchen is not well equipped so don't expect to do any cutting of bread or heating of food. [redacted]s easy to get hold of and had some good tips.
