Hi [redacted],
Thanks, gelukkig nieuwjaar voor jou ook!
Hope we have a better year this year.
Thanks for the delegates list. I will update my delegates with the info.
I must say, we are still in a serious lockdown, so I think my fellow co-exhibitors, who would be attending in 2020, wont be able to have their delegation ready by Wednesday.
Is there ANY possibility that we can use this fee for a longer period of time? By exception?
I am trying my best to have all my partners/previous co-exhibitors on board, and this deadline is not working in favour of that...
Regards,
[redacted]
