Hello,

I'm writing to give my opinion regarding the verkeersmaatregelen in Centrum West. I hope that it is not too late.

I live on Binnen Oranjestraat 5.1,2,e and have done for the past 10 years. I live there with my young son 5.1,2,e The traffic on this street and around the Brouwersgracht is VERY busy and actually dangerous for young children, pedestrians and cyclists. Cars often go very fast down our street with zero regard for people that must, sometimes, walk on the street because their is not enough room on the sidewalk. I am very supportive of the 'bollard plan' which involves closing the bridges over Brouwersgracht, Blauwburgwal and Prinsengracht to cars. And also the proposal to have one-way traffic on the Marnizstraat between Bloemgracht and Brouwersgracht.

If you need any further information, please don't hesitate to get in touch.

Kind regards,

5.1,2,e
