To Stadgenoot, City of Amsterdam, and Ms. Stens,

I strongly object to the idea of six padel courts with a lot of noises in our neihgbourhood.

The owner filthy rich man has showed so ethics!!!!

As previously it was promised to make it a market, and public event places which are accessible and be at service for our community!

The building is dirty - full of dust without maintenance for almost 1 year!!! At the connecting side with de Prins, it was soooo dusty and ugly, and even calling their company, no one sent a cleaner ever!!! Such a fxxxing idiot company becomes a burden for other people!!!

Please we need food market, bakery, and art, event exhibition places, not some money making clubs with all the noises! We all feel deceived and fooled , because we we bought the property, on the picture it was amazing neighbour market and community!!!!

PLEASE STOP IT!
