Dear All

I hope you are all well
Further to the recent meetings and discussions we had at MIPIM Cannes, please find attached:

1. The notes from our closed session held at the Majestic and the actions arising from that.
2. The one pager reflecting the discussions held on the Gdynia stand
3. The one pager and presentations relating to the discussions on the Hamburg Stand

We are currently working with [redacted] and EXPO Real on the program for that and will be back in touch shortly about that
In the meantime please come back to me if you have any immediate queries
Regards
