UPDATE: Formal WOP/WOO request on information behind the decision

****

Hi [redacted],

[redacted]

With this in mind, I am formally submitting a WOP/WOO (more information here) request as as of today, 12 June 2022, for the following.

- **Any and all documentation and materials** pertaining to this this investigation including evidence and rationale that the Gemeente used to make the final decision on no rules being broken at [redacted]. This includes, but not limited to:
    - All administrative research you used
    - registration details, details of the handhaving report,
    - email, whatsapp correspondence with the owner, owners' representative, management company, residents, and within the Gemeente or service

providers to the Gemeente. This also includes correspondence with and from the legal department including those between the toezichthouders and the legal department.
- Final internal reports used to draft the final decision

Per this government website, please provide this information within 4 weeks [10 July 2022] ith an option to extend a further 2 weeks [24 July 2022]

I look forward to receiving this information.

Kind regards,

[redacted]
