Beste 5.1,2,e

Dank voor uw e-mails.

Wij houden u als pandeigenaar op de hoogte indien wij toch over moeten gaan tot het sluiten van het pand. Echter hopen wij dat het niet zo ver hoeft te komen.

Met vriendelijke groet,

Please keep me informed, as I asked you before. It is very important, for me 5.1,2,e too. As you will not react by the rules, it could be the shop will be closed by force on request of the Gemeente and police.

Sorry for asking, but there have to be taken actions. Hope to hear from you.

Kind regards
