Morning [redacted],
Thank you for clarifying.
I'd be delighted to confirm [redacted] for the Science and the City session, if that still works for you?
We do have 3 sessions this year:
City 4.0 – Tuesday at 10am
Science & Art – Wednesday at 10am
Cities of Discovery – Wednesday at 2.30pm.
We did have another invite out on behalf of one of our sponsors, who had invited The Mayor previously. Would [redacted] be available for this session at all? The session topic is Zero Carbon and will take place on Tuesday 10th March at 15.30 – 16.15. I have attached the previous invite which contains more information about the session. Would [redacted] be able to join this panel, as our partner, Bruntwood, are very keen to have a senior leader from Amsterdam.
I look forward to hearing from you, and hope the Amsterdam Weather is lovely!

Hi [redacted],
You proposed "science and the city" (wedn 09.30) for Amsterdam. So I guess that's the one you would like to have us in.
Although I believe that "co-creating the city" (Tuesday 9.30) is more suitable to Amsterdam.
What are your other session, I believe you had 4 right?
We are quite flexible in that manner – but the topic should be a right fit.
Regards,
[redacted]

Dear [redacted],

The mayor of Amsterdam will unfortunately not be able to attend Mipim. That is why I would like to suggest [redacted] (CEO of the city of Amsterdam) or, alternatively [redacted] will be able to do so. If that is not possible then we will not be able to join the session.

[redacted], how about Rotterdam?

Regards,
[redacted]

Hi [redacted],
Thank you for your email! I am sure our mayors will be delighted to join in on the sessions.
However I must check with them whether a visit to Cannes suits their busy agenda's.
I will keep you posted!
Kind regards,

Hello [redacted],
It's lovely to be in contact with you again.
I believe you are arranging the presence of the Dutch cities at MIPIM again?
It would be lovely to work with you to see if we can secure the Mayors of Amsterdam & Rotterdam to speak at the Manchester Pavilion.
I have attached the respective invites for you.
Additionally, if you have any speaking requests for a member of Manchester, do let me know.
Thanks again and looking forward to working with you,
