I wanted to check back in to see if you had gotten any response from your colleagues on the charter? It would be great to have Amsterdam as one of the founding members when we announce the AAM Cities and Regions Coalition.

We are also planning to have a community meeting on August 18. Would you be interested in presenting Amsterdam's vision for the sector and sharing a bit about plans for Amsterdam drone week?

Lastly, my understanding is that you will be having an industry update on September 9, right after the GUASS event. Is there any possibility we might be able to present a bit about our work at that event?

Thank you, and I hope you are having a good summer.

Best,

It was a pleasure connecting with you earlier today. As discussed, I wanted to send over the charter for your consideration. Please let us know any questions you have about it, and we look forward to hearing any feedback from you and your colleagues. It would be wonderful to have Amsterdam as part of the founding members of the community when we publicly launch in September.

Best regards,
