Modern furnished apartment with very central location. All the sights of Amsterdam can be reached in a few minutes. The cleanliness of bathroom and kitchen could have been better. Check-in with a cleaning lady who was very helpful but did not understand English or German.

This apartment was wonderful! We had never been to Amsterdam, and the location was absolutely perfect, it's in a safe area and a 2 minute walk to lots of stores, restaurants and bars. It was also super convenient to the Amsterdam Centraal Station, about [redacted] walk. We stayed 3 nights and were able to walk everywhere in the city, we didn't take one taxi or bus! The apartment was modern, clean, and had all the amenities we needed. I would absolutely recommend someone to stay here if they want easy access to everything in Amsterdam!

Although the location is in the middle of Amsterdam. The modern building is on a quiet side street, you would not hear any traffic sound, noise from the tourist crowd. Neighbours are all families with kids.
