Dear all,
hereby i am sending you a reminder for the informal My Red Light brainstorming session that will take place next week, **Monday 9 september at 17.30h**.
The goal of these sessions is to collect input about strategic choices and directions for My Red Light. We hold them every 2nd Monday of the month from 17.30 to 19.00. This meeting is intended specifically to get input from our "ketenpartners" and to allow us all to have a broad discussion with as many different people as is possible. Everyone is welcome: renters, My Red Light team members, and ketenpartners. Please bring others who are interested to help us brainstorm about our future.
best, and hope to see you Monday,

Onderwerp: brainstorming at My Red Light

Dear all,
hereby i am inviting you for informal brainstorm sessions that we will be holding regularly from now on at My Red Light. The goal of these sessions is to collect input about strategic choices and directions for My Red Light. We plan to hold them every 2nd Monday of the month from 17.30 to 19.00. This meeting is in addition to the bi-weekly meetings we hold with our renters and the meetings with our RvT.
The idea is to have fruitful discussions that will help us in steering My Red Light in the right direction. It is OK if there are 2 people, and we have a very detailed, in-depth discussion about a few topics, or if there are 10 and we have a wider discussion. We especially hope that our (keten)partners, such as PROUD, P&G292, SOA AIDS, the municipality, other exploitanten, our neighbours, and the police will be able to make it to some of these meetings, so we can gather their input.
best, and hope to see you Monday 12 August,
[redacted]
ps I will send an email every month to remind you of the meeting: it would be great if you could let me know if you will be able to make it. Because: the location will vary depending on the number of participants.
ps 2 please feel free to forward this email to all who are interested to contribute: all are welcome!
