Onderwerp: RE: Invitation for Ms Sharon Dijksma

Hoi allen,
Wie kan dit doen? Je moet inloggen. Ik begreep van [redacted] dat Dijksma inloggegevens heeft voor het WEF, kunnen die hiervoor gebruikt worden of zijn die voor een ander platform? Bedankt!

Met vriendelijke groet,

Onderwerp: FW: Invitation for Ms Sharon Dijksma

Dear all,

Please find below Sharon's invitation to the Sustainable Development Impact Summit. While there is no immediate registration deadline, we request she registers as soon as possible so we can begin planning her attendance. As with her participation at the Annual Meeting in Davos, we are unable to support her attendance financially. Nor are we able to provide an accompanying ticket. Thank you for your understanding.

Please let me know if you have any questions! We look forward to seeing Sharon soon!

Subject: Invitation for Ms Sharon Dijksma

Dear Deputy Mayor,

I am pleased to invite you to join the annual **Sustainable Development Impact Summit** taking place in New York, USA, on **23 and 24 September**.

The Sustainable Development Impact Summit is the World Economic Forum's annual meeting for integrating and leveraging the best examples of public-private cooperation, systems thinking and Fourth Industrial Revolution technologies to advance the Sustainable Development Agenda.

Designed as a platform to showcase and advance the impact of multistakeholder cooperation, the event will bring together 800 business, government, civil society and academic leaders to catalyse action. I encourage you to register as soon as possible given the high interest.

The preliminary programme is now available to review with new sessions added every week. In addition, please consult your agenda on TopLink regularly as you may receive invitations to speak or participate in sessions. Session sign-up will open at the end of August and more details will be sent then.

- **Transforming Markets**: How to place human and environmental health at the core of market systems and value chains
- **Accelerating Climate Action**: How to cap global warming at 1.5 degrees through innovative partnerships and smart technologies
- **Financing Sustainable Development**: How to mobilize investment for the 2030 Agenda
- **Mobilizing Action for Inclusive Societies**: How to bolster local entrepreneurship and innovation to make growth more equitable
