Onderwerp: FW: Waterfront Cities - MIPIM 2020 - 12 March

Dear All

We are continuing to monitor closely the impact of the coronavirus on MIPIM but as I write this note to you the event is still proceeding so we work towards meeting you all again at MIPIM 2020 on Thursday 12 March at the Majestic Hotel from 9.45am.

As we discussed at EXPO Real this will be an important meeting as we come to the end of the current two year arrangement so our session will focus on the question: "**How to continue this network"?**

In the timeslot of 2.5 hours, we will discuss what topics we want to prioritize over the next few years and how best to operate the network.

Please find attached the agenda for the session and the current list of attendees plus a discussion paper with suggested options noting that we will be seeking your views at the meeting on the option that works best for you. Please advise [redacted] at Marketing Liverpool if you have any queries – [redacted] @marketingliverpool.co.uk - we did extend an opportunity to you to invite private sector partners to this session if you wished so that is an option but do let [redacted] know who will be attending.

At MIPIM 2020 some partners are also holding events that relate to the waterfront being Gdynia (see attached pdf) , Belfast and Holland Metropole so it would be good if we can join and support these events.
