Dear 5.1.2,e and 5.1.2,e

We have kept you waiting again due to some uncertainties and changes on our side. Now I can give you a more detailed update. Please find the program and a more detailed outline in the attachments.

- Mayor will follow your advice to request a courtesy meeting with the leaders of Guangzhou and Shenzhen. Your help in arranging these meetings will be highly appreciated.
- Please copy me, 5.1.2,e and Sabine in all e-mail correspondence concerning these meetings. 5.1.2,e will be contact person on the ground.
- Will the consul general accompany the Mayor during his stay in the two cities?
- Who else from the CG will be joining the courtesy call and company visits
- @5.1.2,e and 5.1.2,e will you be joining us to China Southern Airlines and Huawei (I don't have a clear picture of your involvement in Ploumen visit at the moment)
- Is it possible for the CG to 'lend' us your interpreter. If not possible, do you have a suggestion for a good free lance interpreter?
- In the program you see cultural and historical walk and visit to OCAT in Shenzhen, for more details I refer to Sabine.
- Please note we have a 3 person crew from AT5 the local television. They would like to film most of the trip where possible, will it be possible to film the courtesy meetings?
- Permission to film at China Southern and Huawei we have asked directly to the companies, will be not much of a problem.

In the coming weeks, I will try to confirm all the names. Please email me with your comments, suggestions and questions.

Thanks a lot.
