I'm a journalist with the 5.1,2,e and we are working on a piece that's an in-depth reconstruction of events around the Maccabi soccer match in Amsterdam. I was wondering if it would be possible to schedule an interview with Mayor Halsema? Best, 5.1.2.e

Meanwhile, my team is answering as many media questions as possible, for other reconstructions as well, mostly by national media. But perhaps we can help you if you could send us an email with your questions?
