Dear 5.1, 2, e

We have just sent a public letter to the City Council regarding the security measures in the city. You can find it attached to this email (only in Dutch, sorry).

Kind regards,

Dear 5.1, 2, e

Many thanks for your prompt reply, I appreciate it.

If there are any further public announcements or press releases or media events connected to the events of the past week and the factual report, please do let me know if you can. Happy to be added to your mailing list.

If the mayor ends up having ten minutes today, if her schedule changes, please let me know as well.. we work quite quickly.

Again many thanks,

And best regards,

Dear 5.1, 2, e

Thank you for your message. We do appreciate the request for an interview about the factual report, but I have to disappoint you. The mayor is not available for interviews. With the ongoing security measures in the city her priority right now is restoring the order and piece.

Hope you understand.

Kind regards,

Dear Press Office,

My name is [redacted] with [redacted] based in London, UK.

My colleague and I have read the full factual report presented by Mayor Halsema to the Amsterdam City council on November 11th. Of course this follows the violence around the Maccabi football club match vs Ajax.

Our goal is to prepare our own journalistic report with some analysis.

We realize that Mayor Halsema is very busy, but is there any possibility that she would have five or ten minutes for a zoom interview with our [redacted] correspondent on Thursday?

This was an event that made news around the world and we would be grateful for the Mayor's perspective. Truly, we would not take much of her time.

My contact number is [redacted]

Thank you and best regards,
