

Live example of how Dutchies reclaim car infra & return it back to pedestrians, cyclists & residents to enjoy

It's not all tulips & stroopwafels here. You can see people grumbling, actively debating. All signs of engaged citizenry

5.1.2.e

- 12 jun.

First day of Amsterdam experiment with a more comprehensive circulation plan. The last stroad cutting the city center in half, Weesperstraat, just got a modal filter for the summer.

Insane how peaceful this traffic sewer became overnight.
