

# COMING SOON

\_\_\_\_\_ is a new craft beer brewery, cocktailbar, bistro and boutique on the dynamic \_\_\_\_\_  
in the centre of de Pijp.

We are located in the beautiful old church in the middle of the market, which has been renovated and transformed into a craft beer brewery & bistro. We organize group events with beer flights, end of year (corporate) events, as well as brewery tours with our master brewer. Please sign up by sending an email to \_\_\_\_\_ and let us know your preferences.

Custom made menus will be sent upon request. If you want to make reservations for our bistro or bookings for events, please send us an email to \_\_\_\_\_

Cheers,  
Team \_\_\_\_\_
