Dear 5.1, 2, e

Thank you for your message. We appreciate your request, but I have to disappoint you since the mayor is not available for interviews at this moment. The mayor's priority is restoring the order and piece in the city.

We will reconsider your request when there is more time available in the mayor's agenda.

Kind regards,

Hello,

I wanted to circle back to my last email to check if it has been received and if there would be the possibility to arrange an interview. As a reminder, the deadline for this story is Wednesday COB.

Thank you for your attention.

Cordially,

Good afternoon,

My name is 5.1, 2, e I am a freelance reporter on assignment for 5.1, 2, e Europe. I am currently covering the conflict and violence cases that emerged after the Ajax and Maccabi match last week.

It would be helpful to speak to a gemeente official that could walk me through security protocols for protests, and how those escalated with the recent episodes of violence. Would it be possible to schedule an interview this week?

For your reference, my deadline is this Wednesday COB.

I look forward to hearing from you. Do let me know if you have any questions about the story.

Cordially,
