### Garbage

There are garbage-containers on the left side of the building, just about 30 meters from the front door on the other side of the street of Vrijheidslaan 3. It's strictly forbidden to leave garbage on the street!

### Smart TV

The Smart TV comes with channels and **Netflix**. You can login with your own account.

### Heating

The apartment comes with central heating. There is a digital display on the wall so you can turn on the heating:

- > Press the on/off button to turn it on/off.
- > Press the arrow up button to increase the temperature and the arrow down button to lower the heating. After you select the desired temperature, press the "Klaar" button.
- > Be sure, when you leave the studio, set the thermostat back to 18 degrees. Gasprices are ridiculous.

### Room service

The room is cleaned professionally and the sheets are washed, steamed and ironed before your arrival. If you like to have a **full mid-cleaning**, please let us know and we can arrange this for an additional **€50,- including fresh linen + towels**. For stays longer than 15 nights we offer 1x free mid-cleaning, please contact us by phone to arrange this.

### Regular House rules

- **No Smoking allowed!!** Each room is equipped with a smoke detector; besides the bad smell its all about the safety of all people in the building. If the smell of smoke is determined your stay will end immediately, regardless of the time and a fine of €250,- will be charged. The fine will also be charged when we smell afterwards you've been smoking inside during your stay.
- **No loud music after 10pm:** Our neighbors have jobs and children and we have to protect their well deserved eye-shut ;-)
- **Usage of drugs or weed - in any form - is not allowed.**
- **Be quiet when coming home late at night.**
