

A map of the Willem I Sluizen area. A large green polygon is outlined in black, covering a significant portion of the map. The polygon starts near the bottom left, goes up and right, then right and up, then down and right, and finally down and left to the bottom left. The area inside the polygon is green, while the area outside is light green. The map shows a canal (KANAAL) on the left, a road (SIXSLAVENWEG) at the bottom, and a building (WILLEM III) at the bottom right. The text 'Willem I Sluizen' is in the center. The year '1942' is on the right side.
