Coronavirus

Information about the coronavirus in the Amsterdam Amstelland region can be found at www.amsterdam.nl

If you want to apply for a permit for a pitch in the Noord, Nieuw-West and Zuidoost district, you can submit a QuickScan.

Then hand in the information below to markt bureau.vergunningen@amsterdam.nl.

1.	Your name and phone number	
2.	Where do you want a stand? Specify the exact location: Use this: https://data.amsterdam.nl/data/?modus=kaart	
3.	What do you want to sell on the stand?	
4.	Preferred opening days and time:	
5.	Dimensions of the sales unit:	
6.	Insert a photo of your sales unit or a unit that looks like it:	
7.	Do you want a permanent stand or a mobile stand that will be removed at night?	
8.	Indicate which months you would like to occupy the stand?	

If you fill in the above data and send it back, you will request a QuickScan. This means that you do not have to pay any fees.

The district will examine whether something is possible and comes with one of the following answers:

A. "Based on the information provided, it is excluded that there will be a pitch."

B. "There might be something possible under certain conditions, but for that we have to judge application substantive."

Are you getting answer A? Then the chance that you get a license is nil. If you do submit an official request, you must pay a fee of € 231, -. Even if you do not receive a permit.

Do you get answer B? Then you can choose to submit an official application. Then you have to pay a fee of € 231, -. You must also pay this fee if you do not receive a permit in the end.

You must therefore decide yourself whether you want to make an official application. You decide this after you receive the answer to the QuickScan. You can count on this to take a few weeks.

Kind regards,
