Informatie voor de gasten

Welcome to Amsterdam!

Thanks for booking our apartment! We hope you had a swift journey and you're ready to enjoy the capital-city of our country, Amsterdam!

Before your stay starts we want to share some important information...this way it's going to be awesome for you as well as for us. Let's be clear about this, we're the nicest people but we have to be very strict in compliance with the rules.

Check in and check out

You've got the key already out of the locker box. As for the checkout, the **deadline is always set at 11am and you can leave your keys inside on the table.**

NOTE: never leave the key inside the lock of your apt.door...the door will shut automatically and you can't get back in. Costs of a new lock: €150,- excl. the costs of a handyman.

Contacts:

5.1, 2, e

5.1, 2, e is our apartment administrator and concierge. He lives in the building as well, so if you have any problems or questions regarding your apartment feel free to contact him directly.

5.1, 2, e

5.1, 2, e is our reservation manager and your point of contact while communicating via your booking channel. For any questions regarding your online booking or check out time you can contact him via the booking channel or for urgent questions by phone.

Public space:

We are happy to have you as guests but please be aware there are neighbors living inside the building and we want to stay friends with them.

This means we have to be very strict regarding some rules:

- The balcony can only be used for residential use, not for parties or gatherings.
- It is not allowed to play music on the balcony, unless you're Beyonce or Prince ;-)
- Don't call with the speaker out-loud; use your earphones.
- Between 22:00 and 8:00 it's forbidden to make any kind of noise on the balcony.
- It is strictly not allowed to throw cigarettes out of the window or balcony, garden or street.
- Likewise it is strictly not allowed to use any form of drugs on the balcony and/or apartment.

Informatie voor de gasten

Garbage

There are garbage-containers on the left side of the building, just about 30 meters from the front door on the other side of the street of Vrijheidslaan 3. It's strictly forbidden to leave garbage on the street!

Smart TV

The Smart TV comes with channels and **Netflix**. You can login with your own account.

Heating

The apartment comes with central heating. There is a digital display on the wall so you can turn on the heating:

- > Press the on/off button to turn it on/off.
- > Press the arrow up button to increase the temperature and the arrow down button to lower the heating. After you select the desired temperature, press the "**Klaar**" button.
- > Be sure, when you leave the studio, set the thermostat back to 18 degrees. Gasprices are ridiculous.

Room service

The room is cleaned professionally and the sheets are washed, steamed and ironed before your arrival. If you like to have a **full mid-cleaning**, please let us know and we can arrange this for an additional **€50,- including fresh linen + towels**. For stays longer than 15 nights we offer 1x free mid-cleaning, please contact us by phone to arrange this.

Regular House rules

- **No Smoking allowed!!** Each room is equipped with a smoke detector; besides the bad smell its all about the safety of all people in the building. If the smell of smoke is determined your stay will end immediately, regardless of the time and a fine of €250,- will be charged. The fine will also be charged when we smell afterwards you've been smoking inside during your stay.
- **No loud music after 10pm:** Our neighbors have jobs and children and we have to protect their well deserved eye-shut ;-)
- **Usage of drugs or weed - in any form - is not allowed.**
- **Be quiet when coming home late at night.**

Wishing you a great stay!
